

Halvergate Parish Church

The building work in the Church has finally been completed and the Church can now be reopened subject to the strict Coronavirus guidelines issued by the Church of England. The Church will be open on Wednesdays (to allow for cleaning before a possible Sunday service) from 10am to 4pm for visits and/or private prayer.

Services will be starting again but, because of a Zoom service at 9-30am to the whole Benefice, they will not follow the normal pattern. The first service is on Sunday August 30th at 11am and is a service of Holy Communion. The services will be advertised on the Church Noticeboard.

The Annual Churches Bike Ride takes place on 12th September and, again, details are on the Church Noticeboard.
