Local Policing
Commander

Message from T/Inspector David Taylor

The Community Speed Watch (CSW) initiative allows members of the community to address the issue of speeding by becoming actively involved in road safety, monitoring speeds at safe locations with speed detection equipment. The aim of the CSW initiative is to address the problem of speeding through a partnership of the police, the local community, parish councils and other partners. The aim of the initiative is NOT to catch as many speeding drivers as possible, if none are recorded during a survey session, then the objective has been achieved. It is to reduce speed in areas of concern, make drivers aware that excessive speed is socially unacceptable, re-educate drivers about the dangers of speeding and address concerns from local residents about cars speeding through their neighbourhoods.

Police forces across the country implementing Community Speed Watch can show a reduction in overall average speeds, and a significant reduction in drivers travelling in excess of the speed limit.

What is happening in your area Local Beat Manager, PC Ian Kennedy

As Christmas fast approaches, we are all very busy getting ready for the festive time. It's a time we all look out for our neighbours and community. During the winter months with dark nights and cold weather, please keep an eye on your elderly neighbours who may not be able to get out to get food or would sampling like a visit.

Regarding your own home, keep it secure, leave lights on a timer, this will make your house look occupied. Don't leave presents in view of the windows or keep any cash in the house to a minimum. If you plan to go away over the Christmas period, don't advertise this on social media and ask a neighbour to keep an eye on your property.

When going out in your car, make sure your car is winter ready, de-frosted windscreen, good tyres and good wipers, be aware that the cold icy days can be dangerous so allow for increased stopping distances and be prepared for changing weather conditions, don't drive too fast, this puts you and others at risk. Remember Drink Driving just isn't worth it.

When out shopping don't leave your shopping bags unattended and when you park your car, leave it in a well-lit area and keep your shopping in your car out of view. Finally we at Acle Police Station would all like to wish you all a happy, safe Christmas and New Year
