## Message from T/Inspector David Taylor

“Welcome to this month’s newsletter. My team have been very proactive over the past 3 months in their policing, targeting vulnerable premises and focussing on disruption of persons believed involved in criminality. Common with all policing areas we are receiving sporadic reports relating to ASB and drug use which has led to Hi-visibility patrols and stop searches, thereby disrupting such behaviour. In the event you witness any ASB or suspicious behaviour please contact us either by dialling 101 or if an emergency 999 or you want to remain anonymous you can contact Crimestoppers on **0800 555111**”

## Broadland Engagement Officer, PC Vicky Bailey

Do you know about Courier Fraud? Do your loved ones? Fraudsters are deliberately targeting older and vulnerable people in our area. Courier fraud happens when a fraudster contacts a victim by telephone claiming to be a police officer, bank or government agency. A number of techniques will then be adopted in order to convince the victim to hand over their bank details or cash, which may then be passed on to a courier. Neither your bank nor the police will ever ask you to withdraw money or purchase items. Your bank or the police will never ask for your PIN, bank card or bank account details over the phone – never give these details to anybody. Neither the police nor the banks will send a courier to collect money or bank cards from you. Please let us know if you have received a similar type of telephone call or have any information about these incidents. Finally, please keep talking to your friends, parents and grandparents and make sure they know about #CourierFraud.
